

Big O High Hand Promotion

Bureau Requirements

Advertising

The Capitol Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEAR-001101) will be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for the gaming activity, including but not limited to the following, will be prominently displayed in the Capitol Casino at all times the gaming activity is being offered for play:

- Eligible controlled games and time periods.
- Minimum qualifying hand restrictions.
- Prize amount.
- All procedures, times and prize amounts will be displayed prominently via any form of advertisement the Casino wishes to use, including but not limited to printed flyers, digital display, the Casino website, or any other form of advertisement.
- Availability of No Purchase Necessary.
- Any other restrictions that apply.

Eligible Controlled Games

The Big O High Hand Promotion will be attached to the following Bureau approved controlled games offered at Capitol Casino, as shown below, at all times this gaming activity is being offered for play. All controlled game rules will be played as previously approved by the Bureau.

- Big O High/Low Split (GEGA-001940)

Object and Summary

The player who obtains the highest ranking pre-determined qualifying hand during a posted time period will win a predetermined and posted prize ranging in value from \$5 to \$1,000. The hands shall be tracked on a display board in a prominent area of the Casino. The player with the high hand that meets all of the eligibility requirements must have their hand verified by the Casino. After the hand is confirmed the highest ranking qualifying hand in the pre-determined designated time period, that player shall receive the posted prize amount.

Qualifying Hands

A player who makes the highest ranking five card poker hand during a pre-determined and posted time period will be awarded a prize. The hand made will be at least the advertised minimum qualifying hand. The minimum qualifying hand will be displayed prominently within the Casino at all times the promotion is being offered for play. In order to qualify for the promotion the player dealt the winning high hand must use two of their five hole cards. If there is no qualifying high hand after the posted amount of time, then the highest hand tracked within the last hour will win that prize. The current qualifying high hand will be tracked on a display board in the poker area of the Casino.

Cal Games Match Play Promotion

Bureau Requirements

Advertising

The Capitol Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEAR-001041) shall be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for the gaming activity, including but not limited to the following, shall be prominently displayed in the Capitol Casino at all times the gaming activity is being offered for play:

- Eligible games and time periods.
- Coupon and/or free play chip value(s).
- Procedures to redeem coupons or free play chips.
- Any other applicable restrictions.

Eligible Controlled Games

The Cal Games Match Play Promotion shall be attached to all Bureau approved California games offered at the Capitol Casino at all times the gaming activity is being offered for play. All controlled game rules shall be played as approved by the Bureau.

Object and Summary

Players are awarded Cal Games Match Play Coupons or Free Play Chips via advertisements in magazines, websites, mailing advertisements, winning a Bureau approved promotion, winning or signing up for a Bureau approved tournament, handed out by casino staff, etc.

Cal Games Match Play Coupon

- Capitol Casino will offer Cal Games Match Play Coupons having a value from \$5 to \$500 per coupon. The amount and the specific qualifying game(s) the voucher may be used on will be clearly stated on the coupon.
- The player's wager must be equal to the amount of the Cal Games Match Play Coupon.
- When a player uses a Cal Games Match Play Coupon and their hand loses, the player will only lose his/her original wager. The player-dealer collects the wager and the coupon is voided and collected by the house dealer.
- When a player uses a Cal Games Match Play Coupon and their hand wins, the player will win his/her original wager as well as the listed amount on the Cal Games Match Play Coupon. The player-dealer will collect the coupon, payout the winner, and then have a casino employee sign the voucher and include the date and time. Within the same day, the used coupons will be taken to the cage by a casino employee to be logged and exchanged for the value listed on the coupon(s). The value will then be reimbursed to the player-dealer.
- If the player pushes, the coupon may be played again until the player wins or loses a hand.

EXAMPLE: *A person receives a Match Play Voucher with a value of \$5 with the voucher specifically stating it may be used to place a wager on the Pure 21.5 Blackjack table. The person would place the voucher on the gaming table; place a bet equal to the amount on the voucher, and pay the posted collection (if applicable) for a single hand of play. If the player wins the hand, he/she will receive \$10 just as if they had placed a \$10 bet and the player-dealer will collect the voucher.*

Cal Games Match Play Promotion

Free Play Chips

- Capitol Casino will offer Free Play Chips having a value from \$5 to \$500 per coupon. The amount will be clearly stated on the coupon and chips.
- The Free Play Chips shall initially be in the form of a coupon, which shall be offered to all players that wish to come into the Casino and use them to place a wager.
- When a player receives a Free Play Coupon he/she shall take the coupon to the cage for verification and logging. The casino employee will exchange the coupon and give the player a Free Play Chip(s) to be used in a live game.
- Each coupon shall state the specific qualifying game(s) that the Free Play Chip(s) may be used on.
- When a player uses a Free Play Chip and their hand loses, the house dealer will collect the Free Play Chips and insert them in the table drop box, temporarily voiding them.
- When a player uses a Free Play Chip and their hand wins, the player will win the listed amount on the Free Play Chip. The player-dealer will collect the Free Play Chip and payout the winner. The player-dealer will have a casino employee verify it had been won by the player. Within the same day, the used Free Play Chip will be taken to the cage by a casino employee to be logged and exchanged for the value listed on the chip(s). The value will then be reimbursed to the player-dealer.
- If the player pushes, the Free Play Chip may be played again until the player wins or loses a hand.

EXAMPLE: *A person receives a free play chip coupon for \$10.00 that specifically states it can be used to place a wager on the No Bust Blackjack table. The player would take the coupon to the cage or podium. Cage personnel would log the redemption code of the coupon and exchange the coupon for a promotional free play chip. The player would then place the free play chip on the gaming table, pay the posted collection (if applicable), and if the player wins the person in the player-dealer position would pay the player \$10.00, just as if they placed a \$10 wager with a live cash-value chip.*

Eligibility Requirements

This gaming activity shall be open to all playing at any of the above listed controlled games during the pre-determined specified hours designated and posted for the gaming activity.

- There is a minimum of two players required to be dealt in during a qualifying game in order for players to be eligible for this gaming activity, a player and a player-dealer.
- Each coupon shall state the specific qualifying game(s) that a player may use the coupon for.
- Players shall not exchange the coupons for live chips or give them to another player.
- The coupons and chips shall only be redeemed after having been played and/or verified by a casino employee.
- All procedures, times, and coupon amounts must be displayed prominently via any form of advertising that Capitol Casino wishes to use, including but not limited to printed players, digital display, Capitol Casino's website, etc.
- Casino employees on duty are not eligible for this gaming activity. Casino employees are eligible if they are off duty and out of uniform.

Bureau Requirements

Advertising

The Capitol Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEGA-004642) shall be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for this gaming activity, including but not limited to the following, shall be prominently displayed in The Capitol Casino at all times the gaming activity is being offered:

- The date(s) and time(s) the gaming activity shall be offered.
- The prize(s) offered for meeting the requirements of the gaming activity.
- Time required to earn food.
- How time will be tracked.
- Procedures for players having their card stamped.
- Any other applicable restrictions.

Eligible Controlled Games

The Food Reward Program shall be attached to all Bureau approved controlled games offered at the Capitol Casino at all times that the gaming activity is being offered for play. All controlled game rules shall be played as approved by the Bureau.

Object and Summary

Based on customer demand and industry trends, The Capitol Casino proposes to add a gaming activity for all currently approved controlled games. The promotion will allow a player to eat for free/or at a substantially discounted rate from a selected menu when they play for a qualifying period of time, which is tracked through a log to be maintained by the casino. In all instances, patrons shall be provided with ample advance notice of the amount of time that a player must play in order to be eligible for the "Player's Menu." Furthermore, the time requirements and "Player's Menu" shall be displayed prominently within the Capitol Casino at all times this gaming activity is being offered for play.

Eligibility Requirements

All players who wish to participate will be tracked by a casino employee. Players must check in with a casino employee in order to qualify for this promotion. Players who fail to check in are not eligible for this promotion. Once a player has played a pre-designated and posted time period ranging from 10 minutes to 4 hours, their time will be verified and then they will be awarded by eating for free/or at a substantially discounted rate from the "Player's Menu." A player may qualify for this promotion a maximum of three times within a 24 hour period.

- The time that a player must play at a table or game will range from 10 minutes up to 4 hours, as pre-determined and designated by the Capitol Casino. This time requirement shall be the same for all players.
- A player may qualify for this promotion a maximum of three times within a 24-hour period.
- Time will be tracked by each minute of play and may be added together as a running total through the 24-hour period. However, all time accrued during a 24-

Food Reward Program

hour period will expire after that period and may not be carried over from one 24-hour period to another 24-hour period.

- Player's time will be tracked by the Casino through a log to be maintained by the Casino. Information kept on the log includes: Name of the player(s), time they started, game or table number, and floor person initials.
- Time accrued may only be used by the player that earned it; it is non-transferrable.
- Tournament players are not eligible to receive discounted and/or free items from the "Player's Menu."
- Casino employees are eligible while off duty, but are ineligible during the time they are on duty and working.
- There are no restrictions on the number of players required to be playing in a Poker and/or California game in order for players to be eligible to accrue time.
- Backline bettors are not eligible for this promotion.
- Third Party Provider of Proposition Player Services, as defined in Section 19984 of the California Business and Professions Code, are not eligible for this promotion.

Prize

The prize will be allowing a player to eat a menu item for free/or at a substantially discounted rate from a selected "Player's Menu." For players that complete the time requirement, certain items on the "Player's Menu" with a value of \$1 - \$25 will be offered for free, and certain items on the menu with a value of \$5 - \$50 will be offered at a discounted price.

Funding

This promotion will be solely funded by the Capitol Casino. There will be no extra collection or fees of any kind assessed to the players.

No Purchase Necessary

The Food Reward Program does not contain the element of chance. Therefore, it does not constitute an illegal lottery and does not require a No Purchase Necessary table to be offered while conducting this gaming activity.

Pai Gow Poker Bonus Hands

Players who receive special Bonus Hands will have a chance to spin "The Wheel of Chance" for a cash amount ranging from \$50 to \$1000. The qualifying hands are as follows:

Bonus Hands

Straight Flush (No Joker)

4 of a Kind (No Joker)

Full House w/ a pair

9 high only

All Pictures (Aces and faces only or all faces, 10's don't count)

Qualified players are players who place a wager on a seated position and receive one of the qualifying hands. If more than one player places a wager on a certain position the player with the biggest wager will be the qualified player and will spin the wheel. Players can qualify and receive multiple Bonus Hands in one round of play if they placed a wager on multiple positions.

The Wheel of Chance will spin from \$50 to \$1000 depending on where it stops. The funds will be player funded and will be taken out of the Jackpot collections from the Pai Gow Poker backup fund. To qualify for the Bonus Hand the Pai Gow Poker Game must be at least 3 handed and all three players must have placed a wager. These promotions will cease at any time depending on the amount of the backup fund and restart at any time depending on the amount of the backup fund.

If and when a Pai Gow Poker Jackpot is hit and there are qualifying Bonus Hands involved, the Bonus Hands are voided.

A No Purchase Necessary Table is offered to all players on a general and indiscriminate basis which qualifies them for our Pai Gow Poker Bonus Hands. There is a No Purchase Necessary table that is available to anyone who would like to learn how to play the games that are offered at Capitol Casino. If there is a single person who would like to learn Pai Gow Poker, we will deal to the single person and deal to two empty seats. Should that person receive a Bonus Hand he/she will spin the Wheel of Chance and receive whatever amount the wheel stops on. Contact a Supervisor for more information.

Capitol Casino

“Players Reward Program”

Controlled Gaming Activity

SUMMARY

Based on customer demand and industry trends, Capitol Casino (CC) proposes to add a gaming activity to all currently approved controlled games offered at the gambling establishment. The promotion will track the time a player participates in a controlled game or gaming activity (Poker and California games/tournaments) which can be redeemed for prizes that will include cash and/or merchandise.

PRIZE

The prize(s) will be cash, casino chips, and merchandise to include but not limited to jewelry, electronics, clothing, vehicles, gift certificates, concert tickets, food comps, entry into tournaments, travel, tournament entries, etc. The minimum amount of the prize will be \$10.00 and the maximum will be \$50,000.00.

As an *example*, the promotion will be offered where any player in a Texas Hold'em game will be eligible to win \$50.00 in casino chips if they play at least 50 hours during that promotional period.

HOURS PLAYED	PRIZE AMOUNT
50-60	\$45-\$100
61-100	\$60-\$200
101-300	\$100-\$500
301-500	\$300-\$1,000
501-1000	\$500-\$5,000

CC will make each hour played worth a fixed amount ranging from \$.50 to \$4.00.

FUNDING

This promotion will be solely funded by CC. There will be no extra collection or fees of any kind assessed to the players.

NO PURCHASE NECESSARY

Since there is not a “chance” element attached to this promotion there is not a requirement for the “no purchase necessary” procedure.

ELIGIBILITY

The promotion will be open to all players who play in a game where CC management has determined and has previously announced that they will track a player's play time utilizing an electronic tracking system. A player must have a magnetic striped card that will be used to track their play time. At specific and pre-determined periods of time, a designated CC employee will swipe or scan the player's card when they qualify for earning points in the promotion.

The following details are offered:

- Eligible time periods will range from one (1) to ten thousand (10,000) hours.
- Eligible dates will range from one day to one year.
- At least two (2) players must be playing at a Texas Hold-em table or one (1) player at California Games table to qualify.
- The player is responsible for presenting their card and ensuring it is swiped and/or recorded.
- All procedures, times and cash amounts will be displayed prominently via printed flyers, digital display and any other forms of advertisements.
- A player may request the amount of time they have at anytime.
- A lost or damaged card will be replaced at a fee to the player not to exceed \$10.00.
- This promotion is open to anyone who wishes to participate.

THIRD PARTY PROVIDER OF PROPOSITION PLAYER SERVICES

Third Party Provider of Proposition Player Services, as defined in Section 19984 of the California Business and Professions Code, will not participate in this promotion.

Super Cash Pocket Pair Bad Beat Promotion: GEGA-002052

The Pocket Pair Beaten Promotion features a prize element attached to the game of Texas Hold'em. A prize is awarded to players participating in a jackpot game when a designated hand is beaten by a better hand at the showdown. The promotional prize is funded by Super Cash. A player that receives the qualifying losing hand will receive a prize in the form of casino chips or cash with a value ranging from twenty dollars (\$20) to one thousand dollars (\$1,000). The player with the losing pocket pair may also choose to forfeit receiving the cash or promotional prize and receive a tournament entry or spin the wheel. The wheel must make at least 2 full revolutions for the player to be eligible to win the cash prize. If the pointer lands in between two (2) sections, he or she will be required to re-spin the wheel until the pointer lands within one (1) section. Only one prize will be awarded per spin. In all instances, patrons will be provided with ample advance notice of posted jackpot prizes for the game in which they are playing.

The player that makes the following specific advertised hand and loses to any other winning hand will be eligible to win the Super cash Pocket Pair Beaten amount.

	Losing Hand	Portion Won
Option 1	Ace-Ace (Hole Cards)	A.) \$20-\$1,000
Option 2	King-King (Hole Cards)	B.) Entry into
Option 3	Both Option 1 and 2	Tournament
Option 4	Both Option 1 and 2	C.) Spin the wheel

The Casino personnel will review the winning event to ensure all procedures were adhered to, as well as whether the play of all players was in accordance with industry standards. Discussion or collusion between players in an attempt to win the jackpot is prohibited. Such behavior disqualifies those players and may result in the player being barred. An irregularity or discrepancy will void eligibility to win the jackpot as well. If a qualifying hand occurs, a floor person will verify the hands.

The jackpot prize pool is Super Cash funded and is a fixed cash amount ranging from twenty dollars (\$20) to one thousand dollars (\$1,000) for the designated losing hand. All table fees and limits are for the designated base game of Texas Hold'em and are Bureau approved, pre-determined and posted at each table.

The Super Cash Pocket Pair Promotion will be offered for free, on a general and indiscriminate basis, with no restrictions, to patrons who wish to participate in a No Purchase Necessary game. The casino will provide No Purchase Necessary tables for all patrons who request to participate in the jackpot without paying a table fee or placing a live wager. The NPN player must adhere to all rules as the live player. All advertisements state "No Purchase Necessary" for the Super Cash Pocket Pair Beaten Promotion.

When Super Cash B is hit the Super Cash Pocket Pair Beaten will stop until Super Cash B reaches \$100,000.00.

All controlled games rules shall be played as previously approved by the Bureau.

- Texas Hold'em (GEGA-000792)

Object and Summary

The Poker Tournament Jackpot features a progressive jackpot prize pool. A prize shall be awarded to players participating in a pre-determined and posted Poker Tournament, as shown above, when a designated second hand is beaten by a better qualifying hand at the showdown. When the winning and losing hands are confirmed, those players with the qualifying hands shall receive a pre-determined and designated percentage of the posted Poker Tournament Jackpot prize. Additionally, a pre-determined and designated percentage of the Poker Tournament Jackpot prize, referred to as the table share, shall be evenly distributed amongst all other players who are seated and participating in the qualifying table. Prior to a player buying into a Poker Tournament at Capitol Casino, there will be a sign posted at the tournament area announcing that \$1.00 from each buy-in will be taken out and will go to a tournament jackpot fund. Furthermore, the qualifying winning and losing hands, as well as the jackpot prize amount, shall be displayed prominently within Capitol Casino at all times the Poker Tournament Jackpot is being offered for play, as explained below.

Poker Tournament Jackpot

Qualifying Hands

Players that make the following advertised hands during the play of a pre-determined and posted Poker Tournament shall be eligible to win their share of the posted Poker Tournament Jackpot prize. Players shall be eligible when a Full House (Aces Full of Queens) is beaten by a Four of a Kind or better hand at the showdown. Patrons shall be given ample notice of the qualifying hand that must be beaten at the showdown. Furthermore, the qualifying winning and losing hands shall be displayed prominently within Capitol Casino at all times that the Poker Tournament Jackpot is being offered for play.

Losing Hand	Winning Hand
Full House: A-A-A-Q-Q	Four of a Kind or Better

Eligibility Requirements

The Poker Tournament Jackpot shall be open to all players who enter into a specified Poker Tournament. Each player must adhere to and meet all of the following requirements, as shown below, in order to be eligible for the Poker Tournament Jackpot.

- A minimum of six players must enter into a Poker Tournament in order for that tournament to be eligible for the Poker Tournament Jackpot.
 - Furthermore, a minimum of four players are required to be dealt into a tournament game in order for the players at that tournament table to be eligible to receive a qualifying hand and receive a share of the jackpot prize.
- In order to qualify for the jackpot, the winning and losing hands must use two hole cards and three community cards from the board.
- Players with qualifying winning and losing hands must play through the final betting round, in order to qualify for the jackpot. If a player with one of the qualifying hands fold prior to the final betting round, the table will be ineligible for the jackpot.
- Late entries: In order for a player to be eligible for a portion of the jackpot, they must play for at least one hand prior to a qualifying hand being achieved, even if it was folded by them.
- When a qualifying hand is announced, a floor person shall verify that both hands qualify. Any deviation from a standard deck will nullify the jackpot. Patrons will have until the end of the tournament to claim their progressive jackpot prize at the cage.
- When the jackpot has been hit at a tournament table, play will halt at the winning table only, other tournament tables will continue with the tournament clock running. Once the qualifying hand has been verified, play will continue at the table where the jackpot was hit.
- There is no limit to how many times a player can win the Poker Tournament Jackpot.
- Casino employees are eligible to participate and win when off duty and out of uniform.

Poker Tournament Jackpot

Prize

The Poker Tournament Jackpot prize is a progressive jackpot prize pool and shall have a minimum value of \$1,000. There shall be no maximum value as the Poker Tournament Jackpot progressive prize pool has no cap and shall continue to progress until won. All Poker Tournament Jackpot prizes shall be paid in the form of cash, check, live casino chips, or a combination thereof. If the Poker Tournament Jackpot prize is won and awarded solely as live casino chips, any odd dollar amount will be split between players with the use of \$0.50 chips. If the split prize cannot be evenly divided with the use of \$0.50 chips, the odd chip value will be awarded to the player closest to the left of the house dealer. In addition, the actual amount in the jackpot prize pool shall depend on the amount the jackpot was originally seeded at, how many Poker Tournaments have been conducted, and how many patrons entered each Poker Tournament and a jackpot collection fee was deducted from their buy-in. Furthermore, when a Poker Tournament occurs, players in that tournament shall be playing for the posted jackpot prize pool at the time of that tournament. All jackpot fees collected for that tournament shall be added and posted to the jackpot prize pool after the tournament and shall be available during any preceding Poker Tournament.

Prize Payout Structure

Players that make the following qualifying hands, as shown above, shall be eligible to win their share of the posted Poker Tournament Jackpot prize, based on the payout table as shown below. Patrons shall be given ample notice of the payout structure that is being utilized for the jackpot. Furthermore, the prize payout structure shall be displayed prominently within Capitol Casino at all times the Poker Tournament Jackpot is being offered for play.

Losing Hand	Winning Hand	Table Share
40%	20%	40%

Funding

The Poker Tournament Jackpot utilizes a progressive jackpot prize pool which shall be player funded. During pre-determined and posted Poker Tournaments, \$1.00 shall be deducted from each player's buy-in. After each poker tournament, the progressive prize pool will increase between \$10 and \$1,000, based on the total number of \$1.00 deductions from the previous Poker Tournament's buy-in. After the determined amount of fees are added to the progressive prize pool, the rest of the fees shall be added to the reserve fund. If more than \$1,000 is collected from the previous poker tournament buy-ins (\$1.00 from each), the extra monies shall go to the reserve fund. The jackpot prize pool shall not have a cap and shall continue to progress until it is won. The progressive jackpot prize pool shall be initially seeded by Capitol Casino in the amount of \$1,000. Once the reserve fund has reached \$1,000, Capitol Casino will be reimbursed the initial seed amount. When a qualifying winning and losing hand is made, 100% of the posted jackpot prize shall be awarded. Once the posted jackpot prize is awarded, Capitol Casino shall re-seed the jackpot prize pool in the amount of \$1,000. Once the jackpot prize pool reaches \$2,000, Capitol Casino shall be reimbursed \$1,000 from the jackpot prize pool for reseeding the jackpot. Additionally, all jackpot collection fees shall be kept in a separate account for tracking and accounting purposes.

Administrative Fees

Capitol Casino shall retain an administrative fee of \$4 to \$8 per table per hour, paid from the Poker Tournament Jackpot reserve fund. The administrative fee shall only be used to cover the expenses incurred by the Casino for administering the Poker Tournament Jackpot.

Poker Tournament Jackpot

No Purchase Necessary

The Poker Tournament Jackpot shall be offered to customers who wish to participate for free, on a general and indiscriminate basis, with **no restrictions**, to patrons who wish to participate in a No Purchase Necessary game. The Casino shall provide No Purchase Necessary tables for all patrons who request to participate in the gaming activity without paying a table fee or placing a live wager. All advertisement material shall state "No Purchase Necessary" when referencing the Poker Tournament Jackpot. This requirement extends to all forms of advertising including electronic message boards, computer monitors, posters, and flyers.

Gaming Activities Offered During Tournament Play

Bureau Approved Gaming Activities

Player's Rewards Card Program (GEGA-003001)

Objective and Summary

When previously announced and displayed within the Casino, a predetermined amount of points may be awarded to players through the Player's Rewards Program (GEGA-003001) when they play in a live poker game.

Eligibility Requirements

Awarded points will be gained and tracked through the Player's Rewards Card Program (GEGA-003001).

Prize

Prizes may include entry into tournaments and extra tournament chips.

Funding

This gaming activity is house funded.

Bounties

Objective and Summary

A bounty may be offered during tournaments. A bounty is defined as when "player x" knocks out the "advertised bounty" player(s) by ending their play in the tournament, then "player x" will be awarded their bounty. The prize will be awarded to the player that knocked the opponent out of the event immediately.

Eligibility Requirements

This gaming activity shall be open to all tournament players who pay the buy-in and entry fee. A player may receive multiple bounties if he knocks out more than one player.

Poker Tournaments

Prize

The bounty prize amount will range from \$1 to \$10,000. Bounty prizes are paid out in live chips, cash, or other additional merchandise. If a group at the final table decided to split the prize pool among themselves evenly, the bounty will become part of the total split.

Funding

Bounties may be house funded or the prize amount will be deducted from the total number of buy-ins, rebuy(s) and add-on(s).

Points System (Tournament Play)

Objective and Summary

During a large tournament (i.e. month long), several tournaments may offer a predetermined amount of points that will entitle a player to a prize and/or entry into a grand finale tournament.

Example: There are twenty-four tournament events held during a tournament series at the Casino. Ten of the tournaments will be pre-determined as "points tournaments" where the players who finish in the top 25 will be awarded a predetermined number of points (depending on which place they finish in) that will accumulate during the month. At the end of the point qualification, the winner of the top points could win a prize or the top nine winners will be granted a free entry into the main event.

Eligibility Requirements

This gaming activity shall be open to all players who are seated and playing at any of the listed controlled games during the pre-determined specified hours designated and posted for the Poker Tournament. Players are also required to have a Player's Rewards Card (GEGA-003001) in order to track the points.

Prize

Players shall receive points in the range of 5 to 25. Players shall receive a pre-determined and posted prize and/or entry into a special tournament. Prizes will be in the form of extra tournament chips or entry into another poker tournament.

Funding

This gaming activity shall be house funded.

Tournament Entry

- Tournament entry is open to all customers.
- The specific structure will be on any and all advertisements and must be made available to patrons prior to the start of the tournament. The structure of a tournament will not change once sign-ups begin.
- **Promotional materials will not advertise gender-based discounts nor imply a gender-based entrance policy.**
- Patrons may enter a tournament by paying the buy-in and entry fee. All fees, prices charged, and the amount of tournament chips provided will be equal for the initial buy-in and posted for all players.
- Entry may be earned by winning a previous tournament or a Bureau approved gaming activity. All gaming activities and/or promotions will be approved by the Bureau prior to being offered for play.
- More than one method of entry for a specific tournament may be utilized.

Poker Tournaments

Tournament Structure

The amount collected for the tournament buy-ins, re-buys, add-ons and fees are as follows:

Buy-in	\$0-\$10,000
Re-buy	\$0-\$10,000
Number of Re-Buys	0-Unlimited
Add-Ons	\$0-\$10,000
Number of Add-Ons	0-Unlimited
Entry Fee**	\$0-\$2,000
Service Charge***	\$0-\$500
Staff Appreciation Fee****	\$0-\$500

**The Casino will retain the designated entry fee for running the tournament, paying its Casino staff, and fund other Tournament events or prizes.

***Service Charge will be taken from the Entry fee and be used to cover any staffing costs or tipping shortfalls.

****Staff Appreciation Fee is a fee that will not become part of the prize pool. This fee is obtained for staffing cost and tips.

Tournament Prize Amounts & Source of Funds

The prizes will be the cumulative amount of buy-ins, re-buys, and add-ons. The prizes may also be guaranteed. The cardroom may provide prizes or add funds to the prize pool for special events.

- When the prize amount is guaranteed the payouts will be a cash value ranging from \$0-\$250,000. The cash will be paid to players from the buy-ins, re-buys, and add-ons. If there is not enough cash to cover the guaranteed prize amount, Capitol Casino will fund the difference.
- When the prize pool is not based solely on buy-ins, re-buys and add-ons (free roll), Capitol Casino will determine and set the payout structure.

Tournament Prize Structure

When the prize is not guaranteed, the prize structure will be broken down by the number of paid entries and percentage paid. The percentage paid out will always equal 100%. In the event the players decide to forgo the payout structure and “split” the total prize pool among them, it will be permitted and will be noted in detail on the Casino’s tournament log.

Possible Additional Prizes: The prize may be a fixed cash amount, sporting event tickets, concert tickets, merchandise, tournament entries and/or extra tournament chips. Additional prizes shall be house funded.

Entities Involved Other Than the House

Capitol Casino will not allow other entities to become involved in the play of Poker Tournaments at their gambling establishment.

Super Cash A and B are attached to all Texas Hold'em games. The player with the minimum qualifying hand who is beaten by a player with a higher ranking hand will receive 40 % of the posted prize pool amount for that game. The player with the highest ranking hand will receive 20% of the posted prize pool amount for that game, and the remaining 40% will be evenly distributed among all the other players dealt in the hand who do not have a missed blind button or are on meal break at that table.

The cash prize amounts for Super Cash A and B are paid from a **House Funded** prize pool (~~Super Cash Fund~~) ~~funded by a fee paid by participating players~~. Capitol Casino will initially seed the Super Cash Fund to create a prize pool for these games. For the Super Cash Royal Flush Bonus and the Super Cash High Hand of the Shift, the prize pool is also seeded from the **House Funded Super Cash Fund**. Qualifying tables eligible for all Super Cash games requires at least five (5) players be dealt in to that game. If the table consists of less than five (5) players in a game, the table does not qualify for any Super Cash Game ~~and no jackpot fee collection is taken~~. The game will continue in a regular manner of play.

Capitol Casino Super Cash Seeding:

Super Cash A: ~~\$5000~~ \$1,000 to \$100,000 to start with and ~~\$300~~ \$50 to \$5,000 added per day, 7 days a week. Maximum amount is ~~\$20,000~~ 100,000.

Super Cash B: ~~\$50,000~~ \$5,000 to \$50,000 to start with and ~~\$1000~~ \$100 to \$2,000 added per day, 7 days a week. Maximum amount is ~~\$100,000~~ \$200,000.

Players can qualify for the full prize in any Super Cash Game without being required to purchase chips or pay any time collection fee by participating in a free "No Purchase Necessary" table game by contacting a Capitol Casino supervisor. If only one player wants to play at a free "No Purchase Necessary" table game, the gambling establishment will deal cards to the player and four (4) empty seats. In the event of a qualifying Super Cash Game hand scenario, the customer would be awarded the specific amount of the designated Super Cash prize for that game for the particular position the customer occupied at the table. This free play will be offered to all customers on a general and indiscriminate basis, with the same terms and conditions as in a live game, and does not require a participant to pay for a chance to win. Any percentages of the posted prize pool obtained by an empty seated position will not be awarded and will remain in the Super Cash Fund for that particular Super Cash Game. All advertisements will state "No Purchase Necessary" for Super Cash Games.

Advertised Names

The Capitol Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID listed above shall be referenced on all advertisements.

Furthermore, all rules and procedures for this promotion, including but not limited to the following, shall be displayed conspicuously and prominently in the Capitol Casino at all times the promotion is being offered for play:

- Eligible games and time periods.
- Qualifying hands.
- Prize payout structure.
- Promotional prize amount.
- Any other restrictions that apply to this jackpot.

Controlled Game

The Super Cash High Hand Promotion is attached to the following approved games at the Capitol Casino:

- Texas Hold'em
- Omaha

All base game rules must be played as previously approved by the Bureau.

Rules of Play

The player who obtains the highest ranking hand, with a minimum Aces full qualifier, in a pre-determined and posted time period wins a pre-determined and posted prize amount ranging from \$20 to \$1,000. A Super Cash High Hand Promotion board is located at the sign-up area of the casino, which can be seen from the entire casino. Each high hand eligible is placed on the board as it occurs. Casino dealers can look up at anytime and know if they have a higher hand at their table. The high hand that meets all the requirements, does not have to be called to win, but must have their high hand verified and added to the Super Cash High Hand Promotion board.

Prize

A player's hand, which has been recorded as the highest hand at the end of a pre-determined and posted time period, wins a posted and pre-determined cash amount ranging from \$20 - \$1,000.

Qualifying Hands

A player who makes the highest five-card poker hand during a pre-determined and posted time period shall be awarded with the posted prize amount. The hand made shall be at least the advertised minimum qualifying hand and no better than the maximum qualifying hand as listed below. If a minimum qualifying hand is not achieved within the promotional period, no prize will be awarded. Furthermore, the minimum and maximum qualifying hands shall be displayed prominently within the Casino at all times the Super Cash High Hand is being offered for play. In order to qualify for the promotion, in games utilizing hole cards, the player dealt the winning high hand must use both hole cards.

Capitol Casino
Super Cash High Hand Promotion Modification

Minimum Qualifying High Hand
Aces Full House or Better

Maximum Qualifying High Hand
King High Straight Flush

Eligibility

The prize amount will be awarded to players when they have made, and such has been verified by Casino personnel, the highest hand during the qualifying time period.

- At least 5 players must be dealt into the game to qualify the table.
- High hands made during tournament games do not qualify.
- On and off-duty employees are eligible to win.
- A kicker that is copied on the board does not disqualify the hand.
- The verified winning hand cannot win multiple Super Cash Jackpot promotions. If the hand qualifies for more than one Super Cash Jackpot promotional payout, the player must choose which payout they want, but only one promotional jackpot at a time may be won with a qualifying hand.

Funding

The jackpot prize is house funded by the Capitol Casino. All fee collections and table limits are for the designated base games and are Bureau approved, pre-determined and posted at each table.

Administrative Fees

The Casino shall not retain an administrative fee as this promotion is house funded.

No Purchase Necessary

The Super Cash High Hand Promotion shall be offered for free, on a general and indiscriminate basis, with no restrictions, to patrons who wish to participate in a No Purchase Necessary (NPN) game. The Capitol Casino shall provide No Purchase Necessary tables for all patrons who request to participate in the jackpot without paying a table fee or placing a live wager. The NPN player must adhere to all rules as the live player. All advertisement material shall state "No Purchase Necessary" when referencing the Super Cash High Hand Promotion. This requirement extends to all forms of advertising including electronic message boards, computer monitors, posters, and flyers.

Advertising

The Capitol Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEAR-001094) will be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for the gaming activity, including but not limited to the following, will be prominently displayed in the Capitol Casino at all times the gaming activity is being offered for play:

- Eligible games and time periods.
- Qualifying hands and corresponding prize amounts.
- Gaming activity collection and administrative fees.
- No Purchase Necessary Information.
- Any other restrictions that apply to this gaming activity.

Eligible Controlled Games

The Three Card Poker Progressive Jackpot will be attached to the following Bureau approved controlled game offered at Capitol Casino, as shown below, at all times this gaming activity is being offered for play. All controlled game rules will be played as previously approved by the Bureau.

- Three Card Poker 6 Card Bonus (GEGA-003152)

Object and Summary

The Three Card Poker Progressive Jackpot considers the best hand possible among each individual player's first three cards dealt. The six card bonus is not used in any way to make or aid in the qualifying hand.

- To begin each round, players must make their regular base game wager. They may optionally place any bonus bets along with the jackpot fee of \$1.00.
- A "Hockey Puck" disc will be attached to the table in front of each betting position. These discs have a sensor and will detect when a casino chip is placed on them. Players must place the optional jackpot fee on the sensor. The sensor will then light up.
- Once all players place their bets and/or jackpot fee, the house dealer will press "Coin In" on the keypad. The sensors will then light up, indicating participation in the progressive jackpot. The house dealer will then remove all jackpot fees from the table. The jackpot fees are dropped in a separate and locked jackpot collection box affixed to the left side of the gaming table.
- The house dealer then follows standard approved procedures for dealing the base game.

Qualifying Hands

When a player is dealt an ace, king and queen of spades, they are paid the jackpot shown on the progressive meter. Any other qualifying hand listed below receives a fixed prize amount. A player paying the \$1.00 jackpot fee also qualifies to win an envy payout. If a player at the table hits a hand associated with an envy pay, all other players who paid the \$1.00 jackpot fee win the envy pay. The player hitting the hand receives the normal prize pay only, but does NOT receive the envy pay.

Jackpot Qualifying Hand Chart

Qualifying Hand	Payout/Prize	Envy Payout/Prize
Ace, King, Queen of Spades	100% of Posted Prize	\$100
Ace, King, Queen of Hearts, Diamonds or Clubs	\$525	\$25
Straight Flush	\$75	\$0
Three of a Kind	\$60	\$0
Straight	\$6	\$0

Eligibility Requirements

This gaming activity will be open to all players who are seated and playing at any of the above listed controlled games during the pre-determined specified hours designated and posted for the gaming activity.

- There is no restriction on the number of times a player can win the fixed or progressive jackpot.
- A minimum of two players, a player and a player-dealer, are required to play for the progressive jackpot.
- Casino employees are eligible for the Three Card Poker Progressive Jackpot prize only when off duty.
- Backline bettors are not eligible for this jackpot.
- Tournament games do not qualify for this jackpot.
- Players do not need to win the hand to qualify for this jackpot.
- Players in the player-dealer position are eligible for this jackpot.
- A Third-Party Provider of Proposition Player Services (TPPPS) is eligible to place a jackpot collection fee and become eligible for the Three Card Poker Progressive gaming activity when in the player capacity.

Prize

The progressive prize will increase every time a jackpot fee is collected and placed on the progressive prize meter. The progressive and fixed prizes will be paid out in live casino chips.

Progressive Winners:

- When a player achieves the qualifying hand of ace, king, and queen of spades, the house dealer will then contact a casino floor person.
- Once the casino floor person verifies the progressive win, the casino floor person will insert the key, rotate it to “JPH”, and then press “J-pot” button. This records the win onto the Game Manager.

- The prize is paid from the progressive jackpot shown on the progressive meter; all other hands are paid from the reserve fund; they are not deducted from the amount shown on the meter.
- In the event of more than one progressive meter pay or any other qualifying hand hits during the same round, all winning players will be paid the corresponding prize. When more than one progressive meter pay hits, one progressive payout will be paid from the meter and the others will be paid from the reserve fund.
- A casino floor person will pay the progressive payout once the hand has been verified and the proper paperwork has been filled out. The payouts will not be made from the house dealer's tray.

Fixed Prize:

- When a player is dealt an ace, king and queen of hearts, diamonds or clubs, a straight flush, three of a kind or a straight, they are paid a fixed prize amount according to the payout table above.
- A casino floor person will pay all fixed payouts once the proper paperwork has been filled out, the floor person will pay the winner(s) in casino chips. The payouts will not be made from the house dealer's tray.
- All fixed payouts will be deducted from the amount in the reserve fund.

Envy Bonus:

- If a player's hand triggers an envy payout, the house dealer will leave the hand face-up on the layout; otherwise, the dealer will lock up the cards. The dealer will then move on to the next player.
- The house dealer pays any envy bonuses at the end of the round. In the event more than one player is involved in a qualifying envy pay, then all players win multiple envy payouts.
- All envy payouts will be deducted from the amount in the reserve fund.

Funding

All monies collected and paid out will be tracked both electronically and on a hand written log that will be maintained for examination by regulatory and law enforcement personnel.

The Three Card Poker Progressive Jackpot is a player funded jackpot with fixed and progressive elements attached to the jackpot. The Casino will initially seed the jackpot at \$1,000. Once there are sufficient monies in the reserve fund, the initial \$1,000 will be reimbursed to the Casino.

- Each \$1.00 jackpot fee paid by a player will be broken down as follows:
 - \$0.15 will be immediately posted on the meter.
 - \$0.85 will be tracked in a reserve fund. The reserve fund will be utilized to immediately re-seed the metered progressive jackpot prize with an amount ranging from \$1,000-\$10,000.

There is not a cap on the prize pool. The prize pool will be re-seeded when the progressive jackpot is awarded to a player(s). The re-seed will come from the reserve account. The Casino will not be reimbursed the re-seed amount.

Administrative Fees

The Casino will retain an administrative fee of \$10 to \$16 per table per hour that will be taken from the reserve fund. The administrative fee will be utilized to cover expenses incurred by the Casino for administering the Three Card Poker Progressive Jackpot.

No Purchase Necessary

The Three Card Poker Progressive Jackpot will be offered to customers who wish to participate for free, on a general and indiscriminate basis, with **no restrictions**, to patrons who wish to participate in a No Purchase Necessary game. The Casino will provide No Purchase Necessary tables for all patrons who request to participate in the gaming activity without paying a table fee or placing a live wager. All advertisement material will state "No Purchase Necessary" when referencing the Three Card Poker Progressive Jackpot. This requirement extends to all forms of advertising including electronic message boards, computer monitors, posters, and flyers.

Equipment

The electronic software and digital reader related to and used in conjunction with this jackpot, which is used on each table eligible for this jackpot, has been tested, approved, and certified by the Gaming Laboratories International, LLC (GLI).

- When a player has a progressive winner, the dealer will press the appropriate hand button on the keypad.
- The house dealer will then contact a casino floor person.
- Once the casino floor person verifies the progressive win, the floor person will insert the key, rotate it to "JPH", and then press "J-pot" button. This records the win onto the Game Manager. House procedures are then followed for paying the prize.
- Returning the key to the "Run" position will restore normal operation of the table, and adjust the meter appropriately for the prize won.
- When the house dealer reconciles all action (on behalf of the player/dealer), he/she presses "Game Over." This resets the system to begin the next hand.
- Once the "J-pot" button is pressed, the prize is logged into Game Manager.
